BIG CONTEST TO-DAY.

The Sugar Laddies Will Make Preserves of the Strawberry Boys at the Athletic Park Ball Grounds at 2:30 p. m.

Come out, ye citizens and base ball fans, there's going to be base ball at the Athletic Park to-day that you read about. In the recent contests "good luck" has paved the pathway of Brigham's rise and hoisted the flag of victory that must and shall not wave forever.

Our home team has been doing some hard practice work the past few days and to-day's contest promises to be the most enthusiastic game of the season. Cheer up boys, Wessler has gone and "Nighmore" is "no more." Garland must wave the flag of victory.

The game of ball played at Brigham last Saturday between Wellsville and Brigham, ended in a score of 8 to 4 in favor of the "Strawberry" boys. Our boys ought to sprinkle them with sugar today to keep them from spoiling. Keller pitched the entire game for Brigham and was carried from the box on the shoulders of the Brigham Braves.

Another game has been booked for July 14th at Brigham between the teams mentioned above.

Strawberry Banquet.

The First Presidency of the Church and other invited guests were tendered a strawberry banquet at the Brigham City Opera House last Saturday evening, given in their honor by the Stake Presidency and other officers of the various organizations. Three tables, the full length of the dancing floor, were heavily laden with the best thing of the land, strawberries being the chief attraction. The crowd in attendance was one of the largest seen in the hall for some time past. During the feast, a pleasing program was carried out. Owing to sickness, Counsellors Lund and Winder were unable to attend. Pres. Joseph F. Smith and wife, Apostles Rudger Clawson and C. W. Penrose and wives, all of Salt Lake, were in attendance.

The various wards of the stake were represented. W. D. Lewis and wife and Jos. Jensen and wife of this city being among the invited guests present.

Sunday the stake tabernacle was beautifully decorated with flowers and a large floral wreath, bearing the words "Our Prophet," made of white roses, adorned the bishops' stand. Just before the meeting hour, word came to Pres. Smith of the death of a relative in Salt Lake, and he immediately took the train for his home. The disappointment was great, especially to the children who had come out to see the Prophet. The meetings Sunday, however, were very interesting. Apostles Clawson and Penrose being the speakers.

Sunday evening Mr. and Mrs. J. C. Wheelon entertained at their home Dr. and Mrs. G. W. Green, Miss Marian Green, Dr. Pitt of Tremont and Miss Mary Grover. The evening was pleasantly spent in a social way, a feature of the evening being the choice musical selections rendered by Mrs. Green, who is a pianist of marked ability. Light refreshments were served.

Riverside.

After the ball game on the 18th, a return game with Beaver Dam was matched for the 23rd, but during the latter part of the week they sent word over that they could not play. Owing to this there was no game here Saturday. The second nine went to Tremont and beat their second nine to the tune of 12 to 21.

Mr. and Mrs. John Smith are the happy parents of a fine baby girl. All doing well.

Mr. George Capener, a brother of Mrs. W. H. Parke, is visiting relatives in Riverside. Mr. Capener is an eastern man, elderly and observant, and to him, western manners and customs are an interesting study. At the home of Mrs. Ella Capener Sunday, June 24th, the relatives met in honor of their eastern guest. A pleasant afternoon and evening were spent by all present.

Miss Pamela Arbuckle, of Bountiful, is visiting with her sister, Mrs. W. C. Parke.

Two runaways in two days. Sunday afternoon Mr. and Mrs. J. R. Kennard were driving towards Garland when near A. H. Gleason's residence, a bolt which holds the tongue in the clamp on the front axle, came out letting the tongue down on one side. The twist broke the casting on the other side and the team was free from the buggy with the tongue and double trees. The occupants of the buggy took an auto-mobile ride of about six rods and the team ran down to H. A. Hall's and stopped.

Monday A. A. Capener's team was left standing hooked to a hayrack while the driver went to get a drink. One horse bit the other and a runaway was the result. A corral gate and about four panels of combination fence belonging to J. H. Kennard and a rod of the meeting house fence were demolished.

W. H. Parke and family will move into their new residence this week.

Sunday Services.

Last Sunday's services at the Ward hall were quite well attended and the meeting was very interesting. Bp. W. L. Grover presided. The singing was congregational, conducted by John J. Shumway. The opening prayer was offered by Elder Wm. King. Sacrament was administered by Elders James Jensen and Frank Dewey. Following were the speakers: Elders Christopher Burton, Chas. Bowser, A. H. Archibald and A. H. Gleason. Benediction by D. E. Manning.

A Splendid Band

In Fine Condition.

A little history of the Garland Military Band's progress may be interesting to many of our citizens. Prof. Joseph Kirkham gave us a few hints and we were delighted to hear of the success that has crowned their untiring efforts. One year ago the boys purchased ten horns, twenty uniforms, caps and music, with not a cent in sight to pay for the same. Today the band is out of debt and has a few dollars still on hand. Monday they purchased a complete set of new music and during the week they have been diligently working on the new pieces. A large band, every instrument paid for, new music on hand, uniforms that are practically new and money in the treasury, is a fine showing for a band only one year old.

How to Break Up a Cold.

It may be a surprise to many to learn that a severe cold can be completely broken up in one or two day's time. The first symptoms of a cold are a dry, loud cough, a profuse watery discharge from the nose, and a thin, white coating on the tongue. When Chamberlain's cough remedy is taken every hour on the first appearance of these symptoms, it counteracts the effect of the cold and restores the system to a healthy condition within a day or two. For sale by Riter Bros. Drug Store.

Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Riter Bros. Drug Store.
